# 1000 Books Before Kindergarten

ages 5 & younger

Thank you for participating in our year-round Library program, 1000 Books Before Kindergarten.

On the reading log, place a checkmark next to an owl each time you read a book to your child.

Once all the owls on your reading log have been checked off, return the log to the Library for a completion sticker and to pick up your next reading log.

Congratulations! Together, you and your child have read 500 books! Your child's name will be added to a bookplate which will be placed inside a new children's book.

The book will then be added to the Library's circulating collection. When you're turning in your log at the Children's Desk, please be sure to fill out a Bookplate Form. This will ensure that your child's name is listed correctly on the bookplate, and it will allow us to let you know in which book you'll find your child's bookplate.

Please write your child's name on one (1) owl cutout which you will find at the Children's Desk. Your child's owl will be added to our "I Read 500 Books Before Kindergarten" window wall display.

Keep reading! If you're interested in suggested titles to read to your child, visit [BloomingtonLibrary.org](http://BloomingtonLibrary.org) or inquire at the Children's Desk.
